RE: Bargaining

Dear Alex,

I am writing in response to your letters dated February 26, 2013, to both AEA and AMSP/CAMP, respectively, regarding negotiations scheduling for the Spring.

We are accepting the four dates provided by the City, and are also appreciative of the City's acceptability of having AMSP and CAMP meet at the same table for the initial negotiation sessions.

I will follow up with you in the coming days to talk about an agenda for our initial meetings and to discuss moving forward over the next couple of months.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

Michael R. Seville
